Ms. Williams,

We are in receipt of your letter dated 18 March 2015, containing an invoice for oversight costs at the B.F. Goodrich Superfund Site, Calvert City, Kentucky (CERCLA ID KYD006370167). A large portion of the costs (\$229,687.67) are identified as incurred under a Battelle Memorial Institute contract.

To aid in its understanding of the nature of the charges, PolyOne requests the following information:

1. Contracts or other agreement between EPA and Battelle regarding the Site
2. Detailed time and task descriptions regarding Battelle work included in the Oversight invoice

To allow for time of the review of materials provided by the EPA, PolyOne also requests an extension of the payment due date, until 30 days after the EPA's response.

Thank you.

Sincerely,

Ernie Schaub
